CUE SPORTS REDEFINED

US Patented billiard game

The purest form of Cue Sports

“You have to play a game where each player shoots the same pattern. Then it would be more like golf ”

-Earl Strickland

How 7BallRun is engineered

- | | |
|------------------------|--|
| • Player vs. Landscape | Player has no direct opponent |
| • Break-less Cue Sport | Removal of random luck and chance |
| • Secure Setting | Eliminates any opportunity for outside interaction |
| • Fast paced | 120 second average game time |
| • You miss, you lose | Players only get paid on successful runs |

This makes for the most stimulating Cue Sport play ever broadcasted. There is no slowing down of the pace, just pure shot-by-shot action.

How 7BallRun works

What the experts are saying

“7BallRun™ will revolutionize how cue sports is played and marketed. We couldn’t be more excited about the collaboration.”

Don Mackey
Pro Billiards Tour

“Brilliant new game. I couldn’t wait for the next pattern to be set up”.

Jimmy White, MBE
The People’s Champion

“7BallRun™ is the type of pool format which will innovate the game. Playing against the whole field with no direct opponent is the only sane evolution of this amazing sport. 7BallRun™ will be huge.”

Max Eberle
World 10" Table Champion

“Having had a good old look at www.7ballrun.com I think it has massive potential, as we all know the game of pool is huge and played all around the world. I for one can't wait to get playing and promoting this game, I think it's the future of pool.

Chris Melling
2 x World 8 Ball Champion

“7BallRun™ is what pool was waiting for. Finally a game where the player is just against the table. This game can reach every single person in this planet at any time and you don't even have to go out of the house. ”

Vilmos Foldes
Junior World Champion
