Item description from the seller

A vintage Huebler pool cue with original fitted hard case. The sneaky pete! I weighed this with my postage scale so accuracy is not 100%, but I am getting a total of 19.8oz. The length is 58", and the shaft measures APPROXIMATELY 13mm. I do not really think the shaft is original. It has a red dot on it (Meucci?), and a brass insert. Other than that, it seems in great condition, with a straight roll, so please see all the pictures to judge for yourself!
