

Texas Petition for Olympic Pool

Whereas Pool has been a rich part of the fabric of Texas from the founding of Texas in 1836 and is counted along side of Rodeo and Football as one of Texas' favorite sports, We the undersigned believe that it is in the Best Interest of Texans, young and old, that Texas support Pool becoming an Olympic Sport. We hereby petition the Texas Legislature to Proclaim and the Texas Governor to Declare that Pool should become an Olympic Sport in time for the 2036 Texas BiCentennial.
