TOURNAMENT INFORMATION SHEET

Max Combined team Handicap of 23 – Per Match (5 players play each round) Max 7 players per roster.

All players must play at their HIGHEST current Handicap. If players play in multiple leagues please notate additional information on the back of this form. All players MUST have a Minimum of 15 league matches played in any ONE League Or 20 Total Matches on two different teams. Example: If Bob Plays in Joliet and Has 14 matches played there and now also plays in Chicago and has 6 plays there, he IS eligible to play, but BOTH league operators must be notated for us to verify him. But If he is a S/L 6 in Joliet and a S/L 5 in Chicago, He will have to play as a 6. ALL PLAYERS MUST BE ELIGIBLE AT TIME OF REGISTRATION.

IF a player’s skill level increases after Registration – It is the captain’s responsibility to notify the tournament director – If adjustments need to be made to your roster, we will allow changes until Wednesday Oct. 5th. If a player is found to NOT be playing at their HIGHEST current Handicap They will automatically be Disqualified and ineligible to play. If the team can no longer field a 5 person team then the disqualified players match will then be forfeited.

TOURNAMENT FORMAT: True Double Elimination Tournament – The team that wins the losers bracket will have to win 2 matches in the finals.

Match Format: 8-ball APA rules apply. Captains flip to determine Home or Visitors. Home team breaks First. Visitor Line up completed first. All teams Line up will start with the highest handicapped player first and descends to the lowest handicap player. Each player will Play their opponent one game per round until one of the teams reaches 6 total games won (see example score sheet below) S/L =Skill Level W/L = Win or Loss Total = Total Points accumulated
